This Cookie Policy explains how PowerPay ("we," "us," or "our") uses cookies and similar technologies when you visit our website [XXXX] (the "Site"). By using the Site, you consent to the use of cookies as described in this policy.

1. What Are Cookies?

Cookies are small text files that are stored on your device (computer, smartphone, tablet) when you visit a website. They are widely used to make websites work more efficiently and to provide information to website owners.

2. Types of Cookies We Use

We use the following types of cookies on our Site:

- **Essential Cookies:** These cookies are necessary for the operation of the Site and enable you to access secure areas of the website. Without these cookies, the website may not function properly.
- **Analytical/Performance Cookies:** These cookies allow us to recognize and count the number of visitors and to see how visitors move around our website when they are using it. This helps us improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.
- **Functionality Cookies:** These cookies are used to recognize you when you return to our website. This enables us to personalize our content for you, greet you by name, and remember your preferences (such as language or region).
- **Targeting/Advertising Cookies:** These cookies record your visit to our website, the pages you have visited, and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests.

3. How to Control Cookies

You can control and/or delete cookies as you wish. You can delete all cookies that are already on your computer, and you can set most browsers to prevent them from being placed. If you do this, however, you may have to manually adjust some preferences every time you visit a site, and some services and functionalities may not work.
